Who Should Apply?

POLY Languages Institute admits students 18 years of age or older. For a student under 18 years of age, the applicant must have completed high school. Additionally, the applicant must have a basic understanding of the English language. The applicant must have successfully completed at least one year of English as a second or foreign language.

Ideal Candidates

We believe that a student's educational goal can be best achieved if three parties (the student's teacher, the student's classmates, and the student) all approach educational objectives earnestly. The teachers must be dedicated, the classmates must be encouraging and motivating, and the student must endeavor to do his or her best.

We have dedicated teachers who are serious about teaching English as a Second Language (ESL) and committed students who are serious about learning English. If you wish to apply to POLY Languages Institute, you have to be committed as well. Oftentimes, English language schools have students with different goals in the same class. We cannot promise that we can satisfy and cater to all students in the best way unless the three parties all have the same goal in mind.

If you plan to study casually, this school is not the right choice for you. Our curriculum is demanding and is designed for students who share our philosophy. You must be focused on improving your English language proficiency and achieving your educational goals. We want to be remembered by you as the best English language school to study English for your success.

Placement Test

We use the English Proficiency Assessment Test (EPAT) to determine the English proficiency level of new students. The EPAT consists of two exams: EPAT I and EPAT II. The EPAT I is used to determine placements between levels 1 and 3. The EPAT II is used to determine placements between levels 4 and 6, and the test is given only to the students who score level 4 or higher on the EPAT I.

In place of the EPAT, students may present the TOEIC, TOEFL, TOEFL iBT, or CEFR level for their placement. However, the exam date of the presented document must be within 2 years, at the time of submission. The correlation between levels and scores of the exam is illustrated in the graph below.

New students may appeal their placement by the 2nd day of the term. Students may move down one level at their sole discretion. However, in order to advance to higher levels, students may either retake the EPAT or obtain recommendation letters from their current teachers. In all cases, the final decision will be made by the administration office.

The English as a Second Language (ESL) programs consist of 6 ESL levels and a TOEFL Prep course. The ESL courses are designed for an eight-week study divided into two terms, and the TOEFL Prep courses are designed for a sixteen-week study divided into four terms. Each term is four weeks long.

Making Normal Progress

Students may repeat a course only once. However, for true beginners in the ESL Level 1 courses, and for students in the ESL Level 6 and the TOEFL Prep courses, the students may repeat their courses twice. In all cases, students may NOT go down a level from the level they have successfully completed. Students also may NOT skip a level unless they receive official recommendation letters from their teachers. The students must make normal progress towards completing the ESL and/or the TOEFL programs.

The objectives of these courses are to strengthen students' reading, writing, speaking, and listening skills, reinforce note-taking skills, broaden test-taking strategies, further build vocabulary, and deepen students' understanding of more complex grammar points in level appropriate receptive and productive tasks involving complex academic and campus life passages.

Prerequisite: RW 602, LS 602, or GE 602

Academic Policy

POLY Languages Institute (POLY) has minimum attendance and academic performance requirements. After the first term (4 weeks) of study at POLY, a student will be evaluated every term to see if the minimum requirements are being met.

Minimum Attendance

A minimum cumulative attendance average of 80% must be maintained. Tardies will also work against the student's attendance requirement. Missing more than 5 minutes of class will be considered tardy, and four tardies equal one absence.

Failure to maintain the minimum will put the student on attendance probation. If the student's attendance average for the term falls below 80% while on probation, the student may be suspended from the school for up to two terms. For an F-1 visa student, the student will be terminated from SEVIS for "poor attendance."

Minimum Grade Point Average

A minimum cumulative GPA of 2.0 must be maintained. Failure to maintain the minimum will put the student on academic probation. If the student's GPA for the term falls below 2.0 while on probation, the student may be suspended from the school for up to two terms. For an F-1 visa student, the student will be terminated from SEVIS for "poor academic performance."

Making Normal Progress

Students may repeat a course only once. However, for true beginners in the ESL Level 1 courses, and for students in the ESL Level 6 and the TOEFL Prep courses, the students may repeat their courses twice. In all cases, students may NOT go down a level from the level they have successfully completed. Students also may NOT skip a level unless they receive official recommendation letters from their teachers. The students must make normal progress towards completing the ESL and/or the TOEFL programs.

Grading Policy

A student's final course grade is based on exams. A course grade is generally based on the weighted average of two exams: midterms and finals. In order to pass a course, the weighted average of the two exams must be 70% or higher ("C" or better).

A student who withdraws from a course will receive a symbol "W" (Withdrawal), and the student's grade point average will not be affected.

Grading rubrics vary depending on the course. The following formula is only an example:

- $\text{Course Grade} = 50\% (\text{Midterm}) + 50\% (\text{Final})$

Grade Conversion Table

Symbol	Point Value	Percentage	Definition
A	4: [3.5 – 4]	90 – 100%	Excellent
B	3: [3 – 3.4]	80 – 89%	Good
C	2: [2 – 2.9]	70 – 79%	Satisfactory
D	1: [1 – 1.9]	60 – 69%	Unsatisfactory
F	0: [0 – 0.9]	0 – 59%	Failing
W	N.A.	N.A.	Withdrawal

STUDENT SERVICES

New Student Orientation

An orientation for new students is held every term at 10:30 a.m., the day before the term start date (excluding Saturdays, Sundays, and school holidays) as stated in the POLY School Calendar. At the orientation, you will have time to meet POLY staff, take the placement test, register for classes, and purchase textbooks. In addition, your advisor will go over general information such as obtaining a student ID for identification and discount purposes, opening a bank account, means of using public transportation, safety tips that can be helpful while living in the U.S., and more.

Medical Insurance

All F-1 students and their dependents are required to purchase medical insurance prior to the start of their studies at POLY. The students may choose their own insurance plan or the International Student Protection (ISP) plan by the insurance company, J. Deutsch Associates, Inc. The plan is for international students and scholars in the US. For more information about ISP and their insurance programs, please visit www.intlstudentprotection.com or call their toll free number at 1-877-738-5787.

School Events

POLY holds student events at least once every two months. The events are for students to explore the nearby area, socialize, and make friends. The events are announced at least 10 days in advance. The events are subsidized, however, not fully paid by the school. Thus, a fee may apply. Events are subject to cancellation.

Housing Arrangement Service

POLY provides a homestay arrangement service for new students. If you want your housing arranged in a timely manner, you must request the service at least 30 days prior to your desired move-in date.

Homestay arrangements generally include two meals per day (breakfast and dinner), a private room with a bed, a desk, and more depending on the host family. Host families are selected so that they are located within 40 minutes by public transportation from the POLY center. We advise that you visit and interview host families, if not possible at least hold a video conferencing, before you move into the house.

There is a non-refundable fee of \$200 for the housing arrangement service. For this service, the student must also pay the security deposit and the 30-day rent at least 20 days prior to the student's move in date.

Security Deposit

There is a \$200 security deposit. The security deposit and a 30-day rent is due 20 days prior to the student's scheduled move-in date. The security deposit is not refundable if the housing arrangement service is canceled. Only the prepaid rent is refundable if canceled at least 20 days prior to the student's scheduled move in date.

The security deposit is held by the school and paid to the parties agreed by the student and the landlord. If there is a dispute between the student and the host family, the deposit will be held by the school until it is settled between them. The refund can be requested only after the student has moved out.

Rental Rates

The monthly rental rate and the payment policy may vary slightly depending on a host family. The monthly rental rates below are only estimates.

- With meals (Breakfast & dinner): \$1,500/month
- Without meals: \$1,200/month

*For the students applying for F-1 visa, we recommend that they pay the security deposit and rent only after obtaining their student visa.

Transcripts and Certificates

The transcript with our seal is POLY's official transcript. Upon request from a student, we provide the transcript detailing the student's progress, which includes the student's attendance percentage, midterm grade, final exam grade, and the final grade for the courses taken.

POLY provides two types of certificates to those who are in the POLY ESL program.

Certificate of Achievement

This certificate is awarded to those who have successfully completed (C or better) the courses: RW 601, RW 602, LS 601 and LS 602. This certificate serves as our testament that the student has demonstrated proficiency in all four skills of the English language: Speaking, Listening, Reading, and Writing.

Certificate of Completion

This certificate is given to those who have successfully completed (C or better) at least one course from a listening/speaking series and a reading/writing series. The certificate will indicate the highest levels successfully completed from the listening/speaking series and the reading/writing series.

Miscellaneous Fees

POLY provides student IDs, enrollment verifications, official transcripts, recommendation letters to colleges or universities with conditional acceptance agreements, certificates, and more. Such requests can be made by submitting the form required by the school with applicable fees.

*Tuition and fees are subject to change without prior notice.

MyPOLY

MyPOLY is a web-based information system personalized for the convenience of POLY students. By logging onto MyPOLY, you may access your current and previous schedules, grades, payment history, and services requested - all with the click of a mouse! You no longer need to be at the school and wait in line to find such information.

In order to use the system, you must have a valid e-mail address written on the application form. Upon your acceptance to our program, a password will be sent to the e-mail address. Please be aware that depending on email servers, the email with the MyPOLY password might be treated as spam or junk mail. Please check your spam or junk mail box before contacting us.

Computer Lab

The computer lab is available to all active students and is used for interactive language learning, taking the English Proficiency Assessment Test, and course finals.

Computers can also be used for students' personal use. However, students with Lab or course-related assignments have priority over those who are using the computers for personal use. In all cases, using the computers for non-course related work is limited to 30 minutes per person if there are others waiting.

POLY Assurance Program

After successful completion of at least 6 terms with the advanced courses, RW 601 & 602 and LS 601 & 602, with a “B” letter grade or better, we guarantee your English proficiency for higher education. In other words, you will be accepted to most community colleges and career schools.

If for any reason, you are not accepted to the college of your choice because of your English language skills, or simply feel that your English proficiency is not sufficient for college level studies, you may repeat the advanced courses free of charge as long as you have a minimum of 90% attendance for the courses, and agree to continue meeting the 90% attendance requirement.

We are promising 8 weeks of free education. When you choose POLY Languages Institute, we are assuring that you will receive a quality education. The Assurance Program expires after 60 days from the last day of the completion of the advanced courses.

Student Recordkeeping

POLY permanently keeps electronic student records and transcripts. Hard copies of student records are kept onsite for 2 years. Student records are accessible only to authorized personnel unless the student requests for the release of his/her information in writing to a person or an entity. The student may access his/her records through MyPOLY (Student Web-based Information System) with his/her user identification and password provided by the school.

A student may challenge in writing the student’s grade and/or attendance records that are less than thirty (30) days old. POLY will respond within 10 days to the request for correction. The student’s grade and/or attendance record - 10 or fewer days old will be investigated relying on your instructor’s recollection and the hardcopies kept. Any disputed record more than 10 days old but less than 30 days old will be solely based on the hardcopies kept by the school.

In order for us to better serve you, we need to hear from you. In the event that you are not satisfied with the school for any reason, you can file a complaint. The complaint can be made in writing or by logging onto MyPOLY. We will investigate your concerns, and you can expect a written response and resolution within 10 days from the date you submitted your complaint. If you wish to remain anonymous, do not disclose your name. However, the letter should contain the following:

- A detailed description of the problem(s);

Bureau for Private Postsecondary Education

As a prospective student, you are encouraged to review this catalog, the school performance fact sheet, and the enrollment agreement.

Student Tuition Recovery Fund Disclosures

“The State of California created the Student Tuition Recovery Fund (STRF) to relieve or mitigate economic losses suffered by students who are California Residents, or are enrolled in residency program attending certain schools regulated by the Bureau for Private Postsecondary and Vocational Education.

You may be eligible for STRF if you are a California resident, or are enrolled in a residency program, prepaid tuition, paid STRF assessment, and suffered an economic loss as a result of any of the following:

1. The school closed before the course of instruction was completed.
2. The school’s failure to pay refunds or charges on behalf of a student to a third party for license fees or any other purpose, or to provide equipment or materials for which a charge was collected within 180 days before the closure of the school.
3. The school’s failure to pay or reimburse loan proceeds under a federally guaranteed student loan program as required by law or to pay or reimburse proceeds received by the school prior to closure in excess of tuition and other costs.
4. There was a material failure to comply with the Act or the Division within 30 days before the school closed or, if the material failure began earlier than 30-days prior to closure, the period determined by the Bureau.
5. An inability after diligent efforts to prosecute, prove, and collect on a judgment against the institution for a violation of the Act.”

However, no claim can be paid to any student without a social security number or a taxpayer identification number.

Amount of STRF Assessment

(a) Each qualifying institution shall collect an assessment of \$0.50 per \$1,000 of institutional charges, rounded to the nearest thousand dollars, from each student in an educational program who is a California resident or is enrolled in a residency program. For institutional charges of \$1,000 or less, the assessment is \$0.

(b) Unless a student has a separate agreement to repay the third party, a student whose costs are paid to the institution by a third-party payer shall not pay the STRF assessment to the qualifying institution.

(c) Except when an institution provides 100% of the amount paid for institutional charges, less a reasonable deposit or application fee not to exceed two hundred fifty dollars (\$250), if notice of cancellation is made through attendance at the first class session, or the seventh class day after enrollment, in which case, the assessment is non-refundable.

Notice Concerning Transferability of Credits and Credentials Earned at Our Institution

The transferability of credits you earn at POLY is at the complete discretion of an institution to which you may seek to transfer. Acceptance of the Certificate of Completion you earn in the English as a Second Language and Test Preparation program is also at the complete discretion of the institution to which you may seek to transfer. If the Certificate of Completion that you earn at this institution is not accepted at the institution to which you seek to transfer, you may be required to repeat some or all of your coursework at that institution. For this reason, you should make certain that your attendance at this institution will meet your educational goals. This may include contacting an institution to which you may seek to transfer after attending POLY Languages Institute to determine if your Certificate of Completion will transfer.

Title IV Policy (No Student Loans)

Poly Languages Institute does not participate in federal and state financial aid programs.

If a student obtains a loan to pay, the student will have to repay the full amount of the loan plus interest, less the amount of any refund, and that, if the student receives federal student financial aid funds, the student is entitled to a refund of the money not paid from federal financial aid funds.

If the student defaults on a federal or state loan, the federal or state government or a loan guarantee agency may take action against the student, including garnishing an income tax refund; and the student may not be eligible for any other government financial assistance at another institution until the loan is repaid. Furthermore, Poly Languages Institute does not provide any placement services.

Refund Policy

All refund requests must be submitted in writing in person, by regular mail, or by electronic mail by the student. All refunds are made by check within 30 calendar days from the date of receipt of such request. The student may pick up the check in person or request the delivery of the check by mail, in which case the applicable mailing fee will apply. We use only a courier company that has a tracking system ensuring a delivery.

The refund check will be made payable to the entity or to the person from which the funds originated. If you are applying through an educational counselor/agency, the refund check will be made payable to the educational counselor/agency unless we are instructed to pay you directly.

Basis for Refund

The tuition refund is solely based on the money received by the school after all applicable fees owed to the school are deducted. Any money not paid, discounts or promotions, will be void and will not apply upon your withdrawal. The tuition charge will be based on the standard (full charge) published price.

Additionally, there is a Credit/Debit Card Service fee of 5% on the total money paid by credit/debit cards. The fee will be deducted against the refund amount due.

Student's Right to Cancel

The student has the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. If the student cancels by the first class session, there is a full refund. Thereafter, there is a cancellation fee of \$150.

Withdrawal

For courses withdrawn after the period allowed for cancellation, the tuition refund will be prorated on a weekly basis less the cancellation fee of \$150. There is no refund if withdrawn after 3 weeks (more than the 75% of instruction).

Registration Requirement for F-1 Students

Nonimmigrant F1 students are required to attend at least two terms (8 weeks). Otherwise, there is an early withdrawal fee of \$350. Additionally, for F-1 students applying from overseas and/or through their educational counselor/agency, there is a recruiting fee of 35% of tuition for the period of the program indicated on their application form for early withdrawal. The recruiting fee does not apply for continuing students (extending from the initial period enrolled) and transfer students applying on their own.

General Terms & Conditions

Students are subject to the school standards of conduct, policies and procedures, and any other written policies or procedures for the safety and welfare of POLY Languages Institute students and employees.

Class Time Missed

The courses are charged term by term. A student will not be given a credit or a refund due to late registration or any time missed. Additionally, no credit or refund will be given for classes not held on public holidays.

Registration Not Guaranteed

POLY Languages Institute does not guarantee registration due to the maximum number of students allowed per class and the minimum number of students required per class to avoid cancellation.

Regardless of the reason, F-1 students are not relieved from the registration requirement as a full time student. The registration is done on a first-come, first-served basis. Students, especially the F-1 students, are strongly encouraged to register as early as possible.

Absences Due to Extenuating Circumstances

Regardless of the reason for absences, a student who is absent will be marked absent. However, if the student has an official doctor's note, we will take that into consideration for the student slated to be terminated for "poor attendance."

Force Majeure

POLY Languages Institute is not liable in cases where POLY Languages Institute is unable to fulfill any services or obligations due to any extraordinary event such as a war, a fire, an act of government, a natural disaster, labor disputes and other events beyond the control of POLY Languages Institute.

Unclaimed Balance

The school has the right to any unclaimed balance beyond 180 days from the last date of student's attendance or the scheduled start date if the student never attended the school.

F-1 Student Guidelines

F-1 students, in addition to other applicable policies and procedures, are required to observe the guidelines herein in order to maintain their F-1 status.

General Requirements

- Enroll by the 1st day of each term as a full-time student (18 hours or more of instructions per week).
- Inform the school within 10 days of the following changes: home address, contact information, sources of financial support, immigration status, and dependent status.
- Do not engage in unauthorized employment.
- Be sure to have a valid Form I-20. If your Form I-20 is about to expire, report to your student advisor about your intent to extend your program by completing and submitting the Service Request Form at least 30 days prior to the expiration date indicated on your Form I-20 and submitting it to your DSO.
- Provide the documents requested by the school within 10 days for any filing required by the school for compliance with any regulatory agencies.
- If you are a new student, report in person to the school and fully pay the invoiced amount agreed upon in order to undertake the courses in a timely manner. The tuition is due for the period and for the program indicated on your application form. The period of stay on the Form I-20 should be consistent with the requested period on the application form. No partial payment will be accepted.

Exiting the School Policy

To avoid being terminated in SEVIS for *failure to enroll*, a student who plans to leave the school must complete and submit the *Notice of Intention to Exit* form by the 1st day of the term required to register.

When transferring to another SEVP approved school, the acceptance letter from the school must be submitted together with the *Notice of Intention to Exit* form. If the student does not meet the minimum attendance and/or academic requirement, the student will be released in “terminated” status.

Leave of Absence Policy

A student may request a leave of absence or take less than the required course load (less than 18 hours of instruction per week) by completing the Vacation/Drop Below Request form. Leave of absence is for continuing students and cannot be abused to extend the student’s transfer period between schools or stay in the U.S.

A student must meet one of the 3 criteria below for a leave of absence to be approved.

- Annual Vacation - A student is eligible for up to 60 days (2 terms) as vacation after completing 6 consecutive terms as a full-time student.
- Temporary Absence from the US - A student may be relieved from the registration requirement for the terms when the student’s absence from the U.S. is greater than 6 class days. The absence period will be determined by the plane ticket’s departure and arrival dates, which will later be verified by the student’s Form I-94.
- Medical Leave - A student who needs to take a reduced course load or no course load due to medical reasons must provide an official letter from a licensed physician. A leave of absence due to medical reason(s) cannot exceed 3 terms altogether during the student’s studies.

Traveling Outside the U.S.

A continuing student who has a multiple entry F-1 visa (not the F-1 visa obtained through a change of status in the U.S.), may be allowed to re-enter the U.S. if the following criteria are met:

- The student has a Form I-20 with current information that is signed by the DSO on pages one and three allowing travel outside of the United States.
- The student’s visa and passport is valid (not expired) at the time when the student reenters the United States.
- The student returns and resumes his/her studies within 4 terms.

Admissions

POLY Languages Institute admits students 18 years of age or older. For a student under 18 years of age, the applicant must have completed high school. In all cases, the applicant must have successfully completed at least one year of English as a foreign/second language or its equivalent.

All applicants must complete the application form and submit it along with applicable fees and a photo identification (ID) online, in person, or by mail to the applicable POLY center. An acceptable form of ID is a passport, or any U.S. state issued driver's license or identification card.

For a student wishing to attend the school as an F-1 student, the Documentary Evidence of Financial Support (DEFS) is required - showing ability to pay for education and living expenses of the student and the living expenses of his/her spouse and children, if any, traveling with F-2 visas (dependents of student). For each term, the estimated Total Expense (TE) is \$2500 (sum of tuition, books, and living expenses) for the student and \$1000 (living expenses) per dependent.

For an initial student, an initial student applying for change of status, or a transfer student in need of reinstatement, the DEFS fund for the student must cover at least 6 terms of the estimated total expense for acceptance.

For a transfer student released in status, the DEFS fund for the student must cover at least 2 terms of the estimated expense for acceptance. Additionally for the transfer student, 2 or more bank statements showing regular deposits, along with a letter from the student explaining the sources of the funds to the account, will suffice.

Acceptable forms of financial documentation to satisfy the DEFS requirement are as follows:

- a personal bank statement;
- an affidavit of financial support from a sponsor with a bank statement;
- a letter guaranteeing financial support from the student's employer;
- a scholarship letter from the student's government or other organizations.

In addition, applicants must follow one of the following procedures:

- Applying for an F-1 visa outside the U.S. (Initial) - Upon obtaining a Form I-20, the student must pay the SEVIS I-901 fee prior to applying for an F-1 visa. Please visit <https://www.ice.gov/sevis/i901> for details. The student must then have a visa interview with the local U.S. consulate for an F-1 visa. For the interview, the student must bring the Form I-20, evidence of the SEVIS I-901 fee payment, a signed passport which must be valid for at least six months, a completed Form DS-156, and other applicable documents.
- Changing to an F-1 visa in the U.S. (Change of Status) – Upon obtaining a Form I-20, the student must file a Form I-539 with USCIS to change from the student's current non-immigrant status to an F-1 status. Please visit <https://www.uscis.gov/i-539> for details. The payment of SEVIS I-901 fee is also required.
- Transferring with an F-1 visa (Transfer) - If a student already has an F-1 visa, our administrative staff will fax the Notice of Intention to Transfer to the school the student is exiting for release of the student's record. However, it is the responsibility of the student to notify the school about his/her intention to transfer for a proper release. Upon release of the record, the new Form I-20 will be prepared.
