

Hansa Language Centre has been teaching languages to adult students from around the globe since 1969. We are one of Canada's largest and most respected language schools. We have two campuses located just steps from the Eglinton Subway Station in the heart of Toronto. Our friendly staff will be happy to welcome you to one of the safest and most multicultural cities in the world.

Hansa uses a "Flexible Learning System" and offers over 300 classes daily. Students have the freedom to choose which classes they want and when they want to take them. Hansa students benefit from the advice of experienced counsellors, the instruction of accredited teachers, and the choice of a variety of subjects.

Intensive English Program

In this program, students can choose from a variety of challenging classes. Classes include Reading, Writing, Speaking, Listening, Grammar, Vocabulary, Pronunciation, Idioms, and Phrasal Verbs, and have an average of nine students. With guidance from our counsellors, students have the freedom to choose the subjects, class times, and teachers best suited to their needs and learning style.

Exam Preparation Program

Hansa Language Centre offers preparatory courses for many different English proficiency tests. The most common exams that our students need to prepare for are TOEFL and IELTS. Group classes are offered for these exams throughout the year. Hansa can also help students prepare for other English language exams such as CELPIP, Cambridge First (FCE), Advanced (CAE), Proficiency (CPE), TOEIC, CAEL, GMAT, or Michigan.

EAP - English for Academic Purposes

Through its English for Academic Purposes (EAP) program, Hansa Language Centre fully prepares students for academic life at an English-speaking college or university. Students take classes in academic speaking, listening, reading and writing for a minimum of 20 lessons per week for twelve weeks. To supplement their EAP studies, students may take additional classes such as advanced grammar and vocabulary, or Business Communication. To enter EAP, students must score a minimum of 70% on the EAP entry exam.

Business English

Business English students will learn business writing and terminology, finance vocabulary, documentation, effective sales and presentation skills, negotiation skills, and interview techniques. Students who complete a minimum of 60 hours of Business English classes as part of Hansa's Intensive or Executive Programs will also receive a certificate in Business English.

Hansa's Evening and Saturday English Programs are designed to fit your busy schedule. Improve your grammar and writing while learning important new vocabulary and using it in conversation. Classes are small and taught by friendly, professional, and certified instructors. Classes are offered at our Yonge Street campus, just steps from Eglinton Station. ACADEMIC PATHWAYS

Hansa is the first step in your Canadian education. Our Academic Pathways department connects students with some of Canada's best universities, colleges, and high schools.

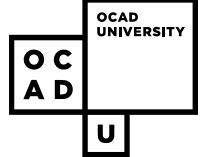

Hansa's programs give students the academic and language skills needed to move on to higher education. Counselors help students in choosing the best school and program, and assist them through the application process from start to finish. Hansa students can even gain conditional admission to our partner institutions prior to arriving in Canada.

Our participating academic partner institutions accept Hansa's Test of English Proficiency (TEP) and offer our students admission to most of their programs without further language examinations. To fulfill the requirements of Hansa's Academic Pathways, students must complete a minimum of 240 hours in the (EAP) Academic Preparation Program, score 80% or more on Hansa's TEP, and meet the entrance requirements of the partner institution.
